

MAORI OXSHOTT CRICKET CLUB COLTS NEWSLETTER

The team of the week was definitely the Under 15s who continued their impressive winning streak with a comprehensive victory at Teddington last Sunday. It is 3 wins out of 3 halfway through their league campaign, with Claygate next up on Sunday week.

The other notable feature of last weekend was how the attendees of the pre-season scoring course have been putting their learning into practice. Nicola Bond and Benthe Van Druten oversaw the Under 11 matches, Tim Ramskill the Under 8 clash with Stoke D'Abernon and Charles Watkins took the pencil for the Under 10 match with Teddington.

This is also a timely opportunity to say thanks to all those parents who help out. The busy weekend of home fixtures had umpires, scorers, drinks makers (and washers up) as well as vocal encouragement from the sidelines.

There was also a team photographer in action which means that this week's photo selection is far more professional than usual!
